20/20/20: 20 minutes of cardio, 20 minutes of strength training using hand weights, 20 minutes of yoga and or pilates.

Basic Yoga: Finally a Yoga Class that anyone can do! Easy to follow with the right amount of flowing combinations.

Body by Barre: (B3) The latest form of training. The class is designed to lengthen and sculpt muscles, increase flexibility and change the body to be dynamically strong. Barre combines yoga, pilates and ballet barre conditioning.

Bosu Core: Advance your core training by multi-dimensional exercises to effectively produce power, balance, strength & core function.

Body Conditioning: A total body workout involving body weight exercises, hand weights, stability balls and resistance tubing, designed to sculpt the body and increase muscular endurance. This class is fun, effective and for all levels of fitness.

Cardio Circuit: This class alternates intervals of strength & cardio movements using a variety of equipment as well as your own body weight. This ALL LEVEL class is a toning & cardio workout in one with a emphasis on intensity options & modifications for optimal results.

Core & More: Zoning in on your core using contemporary body sculpting movements. Utilizing stability balls, resistance tubing, Pilates power ring, and more to enhance all of your muscles while shaping, defining, and strengthening your body. Beginner to advanced.

Drum Alive: Combines aerobic movements with the powerful beat and rhythm of drums. This class offers a fast paced workout that can burn up to 400 calories.

Fab Fit: This class involves 3 segments which includes cardio, strength and flexibility. Start your day right and feel great for the entire day.

Gutts & Butts: A cardio warm up using the step bench then standing muscle engagement, progressing to floor work with more glut and hamstring engagement. Abdominal exercises will include all 5 parts of the Abs. A variety of equipment is used.
(*Friday 5:15am class is 45minutes.*)

Hatha Yoga: A series of yoga moves and poses linked with your breathing.

Muscle Monday: This is a traditional weight training class that will focus on all of the major muscle groups.
45 minute class

SilverSneakers Circuit: Experience standing, low-impact choreography alternated with standing upper-body strength work. This class is suitable for nearly every fitness level, and your instructor can adapt the exercises depending on your skill.

SilverSneakers Classic: Increase muscle strength and range of movement, and improve activities for living. You'll have a chair for seated exercises and standing support. Your instructor can modify the exercises for your fitness level.

SilverSneakers Yoga: Move through seated and standing yoga poses designed to increase flexibility, balance, and range of movement. Finish with restorative breathing exercises and final relaxation to promote reduced stress and mental clarity.

Step: Aerobic exercise using a elevated platform. The step height can be tailored to individual needs by inserting risers under the step. A great cardio pumping class with strength & stretching added into this class.

Tabata: 20 Second Interval work followed by 10 seconds of rest repeated 6-8 times per exercise, focusing on every inch of the body for a great calorie burn. (*Tues 5:15am class is 45 minutes*)

Yoga: This class will teach you to mindfully open and strengthen yourself while honoring your specific needs.

Zumba: Latin inspired dance fitness class using hypnotic rhythms. You will experience such dances as the merengue, flamenco, belly dance, hip hop, cha-cha, tango, reggaeton, cumbia, mambo, and salsa! Burn between 700-1000 calories per class while having tons of fun!

Zumba Gold: Toning for active older adults who are looking for a modified Zumba class that recreates the original moves you love at a lower-intensity.
