

Romulus Athletic Center Reopening (Phase 1)

Member Expectation Guidelines / New Policies / Available Amenities

During the first phase of our reopening (which may be revised during after our first two-three weeks after reopening date of Wednesday, Sept. 9th) we will be following the protocols listed below to ensure our staff and guest safety. Please observe them, as we strive to reopen as healthy and successfully as possible.

Due to Governor Whitmer's Executive order, the fitness center and pools will be open beginning Wednesday. The basketball gymnasiums will remain closed during the first phase.

MEMBERS ONLY are permitted in the club during the first phase of reopening. While we absolutely can't wait to get our day pass users, birthday parties, groups, and guests of our members to be back with us, due to capacity restrictions, along with our members waiting nearly 6 months to be back with us, we wish to give them all the space and equipment selection they desire.

Membership Status, Payment Status, and Restart Status

Members Who Have Paid in Full - Beginning on September 9th all memberships will resume as normal, with any remaining time added to the current membership (ex: I had 4 months left on my membership back in March, I will have 4 month remaining beginning on September 9th). Any membership not wishing to resume on the 9th for any reason must contact our office at (734) 942-2223 no later than Sunday, September 20th. If you

do not wish to restart your membership, you may restart it any time within the next 6 months.

Members Who are on Payment Plans – Beginning on September 9th all memberships will resume as normal, with any remaining time added to the current membership (ex: I had 4 months left on my membership back in March, I will have 4 months remaining beginning on September 9th). Any membership not wishing to resume on the 9th for any reason must contact our office at (734) 942-2223 no later than Sunday, September 20th. On September 23rd, all normal payments will resume to be processed in the usual fashion. (ex: I had 3 payments remaining on my membership, and they were deducted on the 17th of each month. My final 3 payments will be deducted on the 17th of October, November, and December.) If you do not wish to restart your membership, you may restart it any time within the next 6 months.

Phase 1 Availability

- Facility will operate under State of Michigan Capacity Guidelines deemed by the Governor's Executive order (currently 25%)
- Due to the Governor's ruling, only the fitness area, indoor aquatic area, and the upstairs walking track will be available at the moment. The following amenities will remain closed: All basketball gyms and pickleball courts, teen center, day care, banquet area, men's and women's locker rooms, and upstairs restrooms. The Banquet room may be opened if / as capacity restrictions for indoor events improves.

Phase 1 Safety

Everything we have done is to ensure that the safety of our staff and members is our top priority. While we apologize that the look and feel of the RAC may be very different, we have created these policies with your safety in mind.

- Due to the Governor's Order, face masks or face coverings will be required at all times while in the facility, with the exception of when you are swimming in the pools. You will be expected to wear your mask at all times, in addition to walking into or exiting the aquatic area. We will have them available for purchase at our front desk if you have forgotten yours.
- You must be a member to get in. All members will have to stop at the front desk upon check-in to complete a COVID-19 Health-Screening Questionnaire. For continued safety, you will have to stop and complete this upon each visit to the club during our first phase. The process takes about 45 seconds.
- The Men's and Women's Locker Rooms will remain closed during this phase. While we regret this closure, we cannot necessarily control the proximity or behavior of other guests and you in these rooms. If you need to use the locker room, the family locker room's individual restrooms will be available to you, and will be sanitized between each use by a member of our janitorial crew. If storing items in a locker in the family locker room, please let the attendant know what locker you used so we can sanitize that as well.
- The restrooms located by the main gymnasium will be open. The restrooms located upstairs will remain closed.

- Hand sanitizer (with required alcohol content) is located in an additional 36 locations throughout the facility. Please use it whenever: before you work out, before you leave, and when touching another surface.
- Bring your water or liquids. All drinking fountains have been turned off throughout the facility.
- For everyone's safety, **MEMBERS MUST** clean each machine, dumbbell, free weight, or individual fitness equipment after **EACH USE**. This will be strictly enforced.
- For everyone's safety, **MEMBERS MUST** maintain 6' of social distancing between other members throughout the facility including while in the aquatic area. This will be strictly enforced.

You may notice your usual favorite piece of fitness equipment is not where it used to be. Please ask any available employee as to where it is now located. If you're not happy with the area it's in, please say something. While we may not be able to do anything on that day, we may be able to make accommodations in the near future. As with everything else in the post-Covid world, we are open to suggestions.

We can't even express how happy we are to be reopening for you. It will be amazing to see everyone again. Please use the protocols listed above to keep yourself, our staff, and the rest of our membership safe.
